ON OUR RADAR

THE GLOBALIST FORCES WHO CONTROL AMERICA ARE NOT GOING TO CEDE POWER TO DONALD TRUMP WITHOUT PUTTING UP A FIGHT

OUR ENEMIES KNOW WE ARE WEAK UNTIL TRUMP IS INAGURATED & THIS IS PROBABLY THEIR BEST OPPORTUNITY TO HURT US

Actual picture from a country-wide power outage in Cuba

PRECIPITATING EVENTS

▸ TERRORIST PHYSICAL ATTACKS

We have thousands of terrorist cells in America waiting to be activated

▸ CYBERATTACKS

China, Russia, Iran & North Korea have access to ALL of the systems that control ALL of our grids, plus data networks, phone networks, water treatment plants & more

▸ WWIII

The conflicts & potential conflicts between Russia & Ukraine, Israel & Iran, China & Taiwan all could result in a massive world war

THE NUMBERS

▸ We average 24+ physical attacks per year

▸ We have three grids: east, west & Texas

▸ We have 55,000 sub-stations

▸ Nine of those sub-stations are choke points
(If they go down 95% of America loses power)

▸ We don't make transformers; lead time is now 48+ months to get them from Germany or southeast Asia

▸ The EMP Commission predicted that 90% of Americans will die from starvation, disease & societal collapse in the first year
